GUIDANCE NOTES FOR TENANTS

Welcome to your Assured Shorthold Tenancy Agreement this is an important document as it will govern your relationship both with the landlord of your new rental property and with the letting or managing agent for the whole of the time that you are actually in residence. As such you should read the document through carefully and raise any queries with the letting agent who gave you this agreement.

At the same time, please be aware that you have the right to seek independent advice if you wish either from your solicitor or other advice agency.

As well as the Tenancy Agreement, you may be asked to sign the check-in or inventory which will list the landlord's fixtures and fittings and the other items which the landlord provides for your use during the Tenancy. You will also be given copies of the following documents, receipt of which is acknowledged on the final page of the Agreement itself:

- How to Rent Guide produced by HM Government
- Energy Performance Certificate for your property
- A current Gas Safety Certificate for your property—if there is a gas supply
- Details of the scheme with which your Tenancy Deposit will be registered including details as to how you will recover your Tenancy Deposit on your departure
- A check-list of the key Tenancy Deposit registration information generally described as 'Prescribed Information'

If any of these documents are missing when you come to sign your Agreement, please speak with your letting agent as these documents are just as important as the Tenancy Agreement itself.
